WALEX®

Choose the products that best fit your needs, from our powerful concentrates to deodorising discs or hand wash soaps.

ALL OUR PRODUCTS ARE ENVIRONMENTALLY FRIENDLY & EASY TO USE!

ODOUR CONTROL SACHETS

The **WALEX® Exodor® Porta-Pak®** provides long term odour control through advanced deodorant technology & quick dispersion in the waste tank. The convenient sachets eliminate skin contact, while the fresh blue colour is non-staining. Complete with innovative resealable weatherproof packaging.

The Exodor® Porta-Pak® requires 1 sachet per week (depending on use) and is available in 50 sachet packs, 5 packs per case.

ODOUR CONTROL DISCS

The **WALEX® Exodor® Supersize Deodorising Discs** are designed with a fragrance that lasts for several weeks making toilets smell better for longer. Discs are concealed on the reverse side of the vent pipes.

The Exodor® Supersize Deodorising Discs require 1 disc per month and are available in 100 disc packs, 5 packs per case.

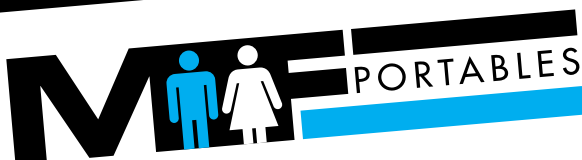

HAND CLEANING RANGE

The **WALEX® Hand Soap** is an excellent fresh hand cleaning soap to replace messy liquid soap. The convenient **WALEX® Hand Soap Dispenser** is easily attached to the inside of any portable toilet.

The Hand Soap requires 2-4mL per use (200-400 uses) and is available in 800mL packs, 12 packs per case. The Dispensers are available in 12 units per case.

ALSO AVAILABLE - OUR MFP COMBINATION PACK THAT INCLUDES SACHETS AND DISCS THAT WILL LAST APPROXIMATELY 12 MONTHS DEPENDING ON USE.
